MY RESUME.....

My first job was working in an orange juice factory, but I got canned..... couldn't concentrate.
Then I worked in the woods as a lumberjack, but I just couldn't hack it, so they gave me the ax.
After that I tried to be a tailor, but I just wasn't suited for it...mainly because it was a so-so job.
Next I tried working in a muffler factory but that was too exhausting.
I attempted to be a deli worker, but any way I sliced it, I couldn't cut the mustard.
I studied a long time to become a doctor, but I didn't have any patience.
Next job was in a shoe factory; I tried but I just didn't fit in.
So then I go a job in a workout center, but they said I wasn't fit for the job.
My last job was working at Starbucks, but I had to quit because it was always the same old grind.

So I retired and I found I am perfect for the job!
