Mother's Day

Happy Mother's Day to All Mothers

In 1872 Mother's Day was conceived by Julia W. Howe, who was never a mother herself!

If your company has just won a contract that requires you to hire more staff for either short or long term positions – one call to our office, 579-3400 to place the order, allows you to get back to your business and let us supply the qualified staff. We guarantee all our placements!

You know you're addicted to coffee when....

- The Taster's Choice couple wants to adopt you
- You take your morning coffee with you in the shower
- When someone asks "How are you?" you say "Good to the last drop".
- You can type sixty words per minute...with your feet

Summers coming!

Are you ready? Need summer replacement? Give Kellie a call to book your temps in now. She's waiting for your call.
